

EUROPEAN INSPIRED SOLID SURFACE PROMO

MCC Dental is excited to announce that their full range of cabinets are now available with European inspired counter designs. These sleek new counters utilize 1/2" thick, solid surface material, without the heavy look of built up edging.

As well as great looking, these solid surface counters offer the benefit of antimicrobial protection and are impervious to water and harsh cleaners.

Available in 6 hot designer colours; Snow White, Bone, Canvas Mist, Silver Mist, Morocco Mist and Madeira Mist.

Best of all, these counters are now available at **NO ADDITIONAL COST** as compared to our base laminate counter surfaces.
